

CURRICULUM VITAE
KARA C. EVERSOLE, MA

EDUCATION

- 2022-2027 Doctor of Philosophy, Clinical Psychology with an Emphasis in Neuropsychology
University of Florida; Gainesville, FL
Advisors: Jared Tanner, PhD; Catherine Price, PhD, ABPP
- 2020-2022 Master of Arts, Psychological Sciences with a Concentration in Applied Research
James Madison University; Harrisonburg, VA
Advisor: Bernice Marcopulos, PhD, ABPP
Thesis: *An Examination of Working Memory in Subtle and Mild Cognitive Impairment*
- 2011-2015 Bachelor of Science, Major: Biology; Minor: Psychology
Denison University; Granville, OH

RESEARCH EXPERIENCE

- 12/2021-5/2022 Research Apprentice, Departamento de Neuropsicología
Universidad Católica de Córdoba; Córdoba, Argentina
Supervisor: Alberto Luis Fernández, PhD
- Assisting with data collection, scoring, and coding of neuropsychological protocols for the development of the Multicultural Neuropsychological Scale (MUNS).
- 12/2020-5/2022 Research Apprentice, New Jersey Institute for Successful Aging
School of Osteopathic Medicine
Rowan University; Stratford, NJ
Supervisor: David Libon, PhD, ABN, FACPN
- Assisting with scoring and data coding of neuropsychological protocols administered by Rowan University staff.
 - Assisting with and contributing to ongoing research related to process approach with Dr. Libon and collaborators.
- 8/2020-5/2022 Graduate Assistant, Office of Institutional Research
Division of Strategic Planning and Engagement
James Madison University; Harrisonburg, VA
Supervisors: Chris Orem, PhD; Tina Grace, MA
- Assisting with data collection, management, and analyses for James Madison University's First Year Survey.
 - Creating an annual report from the First Year Survey data and disseminating findings to the public on the university webpage.
- 7/2015-7/2020 Research Assistant, Neuropsychology Clinic
Section of Neurobehavioral Health, Department of Psychiatry & Behavioral Health
The Ohio State University Wexner Medical Center; Columbus, OH
Supervisors: Darrin Aase, PhD, ABPP; Laura Boxley, PhD, ABPP; Erica Dawson, PhD, ABPP; Cady Block, PhD; Christopher Nguyen, PhD
- Conducted data entry, management, and maintenance of a large longitudinal neuropsychology dataset.
 - Developed and maintained reliable change calculator, normative transformation macros, and automated scoring template used by faculty and staff in clinical and research operations.

- Conducted descriptive and inferential statistics for presentation at regional and national neuropsychology conferences.

3/2015-5/2015 Research Assistant, Department of Psychology
Denison University; Granville, OH
Supervisor: Gina Dow, PhD

- Entered data, and managed and maintained a dataset for an empirical study on the effects of infant facial expression on adult perceptions of infant temperament.
- Conducted descriptive and inferential statistics, presenting findings at a research forum.

Invited Talks:

1. **Eversole, K.** (2022, May). *Enhanced Interplay of Neuronal Coherence and Coupling in the Dying Human Brain*. University of Florida Perioperative Cognitive Anesthesia Network (PeCAN) Journal Club, Gainesville, FL, USA.

EDITORIAL ACTIVITIES

- | | |
|--------------|---|
| 2020-Present | Ad Hoc Reviewer for the <i>Archives of Clinical Neuropsychology</i> (Under the supervision of Bernice Marcopulos, PhD, ABPP) |
| 2016-2017 | Ad Hoc Reviewer for <i>Brain Impairment</i> , <i>The Clinical Neuropsychologist</i> , <i>Journal of the International Neuropsychological Society</i> , & <i>Archives of Clinical Neuropsychology</i> (Under the supervision of Cady Block, PhD) |

CLINICAL EXPERIENCE

- | | |
|---------------|---|
| 7/2021-5/2022 | <p>Graduate Practicum Student, Neuropsychology Clinic and Memory and Aging Care Clinic
Adult Neurology Clinic, Department of Neurology
University of Virginia Medical Center; Charlottesville, VA
Supervisors: Kathleen Fuchs, PhD, ABPP; Carol Manning, PhD, ABPP; Maria Rossetti, PhD, ABPP</p> <ul style="list-style-type: none"> ▪ Conducting clinical intake interviews under the supervision of post-doctoral fellows for outpatient neuropsychological evaluations and multi-disciplinary clinic visits. Populations include individuals with neurodegenerative and neurovascular disorders. ▪ Assisting with neuropsychological testing, scoring, and report writing under the supervision of post-doctoral fellows and attending neuropsychologists. |
| 7/2015-7/2020 | <p>Lead Psychometrist, Neuropsychology Clinic
Section of Neurobehavioral Health, Department of Psychiatry & Behavioral Health
The Ohio State University Wexner Medical Center; Columbus, OH
Supervisors: Darrin Aase, PhD, ABPP; Laura Boxley, PhD, ABPP; Erica Dawson, PhD, ABPP; Cady Block, PhD; Christopher Nguyen, PhD</p> <ul style="list-style-type: none"> ▪ Conducted neuropsychological testing to inform evaluation of pre/post-surgical status, decisional capacity, ability for independent living, fitness for duty, independent medical |

examinations, and/or occupational/academic functioning. Populations included individuals with the following disorders/concerns: neurodegenerative, demyelinating, epilepsy, neuro-oncologic and paraneoplastic, neurovascular, traumatic brain injury, infectious (e.g., HIV/AIDS, encephalitis), neurodevelopmental, rheumatologic, transplant, and psychiatric.

- Trained graduate students and residents on neuropsychological testing and scoring, managed clinic inventory, coordinated weekly clinical and research schedules, and prepared documentation necessary for all clinical and research appointments.
- Conducted and documented informed consent, inpatient and outpatient neuropsychological testing and scoring, and prepared summary sheet with test data and behavioral observations for attending neuropsychologist.

7/2015-7/2020 Lead Psychometrist, National Football League Baseline Assessment Program
Section of Neurobehavioral Health, Department of Psychiatry & Behavioral Health
The Ohio State University Wexner Medical Center; Columbus, OH
Supervisors: Robert Bornstein, PhD, ABPP; Laura Boxley, PhD, ABPP

- Conducted/documented informed consent, outpatient neuropsychological testing, scoring, and preparation of test data and behavioral observations of NFL retirees.

TEACHING EXPERIENCE

1/2021-5/2021 Teaching Assistant, Department of Graduate Psychology
James Madison University; Harrisonburg, VA
Course: PSYC 888: Neuropsychological Assessment
Instructor: Bernice Marcopulos, PhD, ABPP

- Preparing lectures and teaching materials, and leading weekly hour-long labs to train 4 doctoral students on neuropsychological test administration and scoring.

1/2015-5/2015 Teaching Assistant, Department of Biology
Denison University; Granville, OH
Course: BIO 150: Introduction to Biology
Instructor: Laura Romano, PhD

- Prepared laboratory materials and assignments for 33 undergraduate students. Proctored and graded assessments.

HONORS & AWARDS

2022 JMU Graduate Student Association Impact Award
2022 Outstanding Service in James Madison University Psychological Sciences MA Program
2022 JMU Graduate Travel Award from the Office of Research and Scholarship (\$200)
2021 Outstanding Teaching in James Madison University Psychological Sciences MA Program

PROFESSIONAL AFFILIATIONS AND MEMBERSHIPS

- American Academy of Clinical Neuropsychology (AACN)
- American Psychological Association (APA)
- International Neuropsychological Society (INS)
- International Neuropsychological Society Cultural and Dementia Special Interest Groups
- ISTAART Alzheimer's Association
- National Academy of Neuropsychology (NAN)
- Queer Neuropsychological Society (QNS)
- Society for Clinical Neuropsychology (SCN)

- Women in Neuropsychology (Listserv member) (WIN)

SERVICE TO THE FIELD

- American Academy of Clinical Neuropsychology (AACN)
 - Assisted Darrin Aase, PhD, ABPP and the Inter Organizational Practice Committee in the creation of their recommendations/guidance for teleneuropsychology in response to the COVID-19 pandemic, resulting in the following publication:
 - Bilder, R. M., Postal, K. S., Barisa, M., Aase, D. M., Cullum, C. M., Gillaspay, S. R., Harder, L., Kanter, G., Lanca, M., Lechuga, D. M., Morgan, J. M., Most, R., Puente, A. E., Salinas, C. M., & Woodhouse, J. (2020). Inter Organizational Practice Committee Recommendations/Guidance for Teleneuropsychology in Response to the COVID-19 Pandemic. *Archives of Clinical Neuropsychology*, 35(6), 647–659. <https://doi.org/10.1093/arclin/aaa046>
 - Assisted with conference events and organization for 2017, 2021, and 2022 AACN meeting.
- International Neuropsychological Society (INS)
 - Assisted with conference events and organization for 2018-2020 INS meeting.
 - Assisted with the INS Social Media Subcommittee for the 2018, 2019, and 2022 meeting.
- International Neuropsychological Society Cultural Special Interest Group
 - Served on an election committee to aid in the election of permanent and temporary co-chairs for the Cultural Special Interest Group, volunteering 3.5 hours to this committee.
- Midwest Neuropsychological Society (MNG)
 - Assisted with conference events and organization for 2017 MNG meeting.
- New2Neuropsychology
 - Selected as a founding member of the Student Engagement Committee, managing social media/communications, coordinating networking events, and student essay contests.
- Queer Neuropsychological Society (QNS)
 - Served as a member of the Steering Committee, aiding with organizational development and creation.
- Society for Clinical Neuropsychology (SCN)
 - Selected to serve as a member on task force member Presidential Task Force for Marketing SCN. Meeting bimonthly to assist with marketing, branding, and communication surrounding SCN and current Strategic Planning efforts to increasing member engagement and satisfaction. Managing the Division 40 Twitter account one day per week.
 - Helping promote Association of Neuropsychology Students & Trainees (ANST) initiatives on Twitter, and working directly with the Chair of ANST to maintain daily updates of the comprehensive ANST Google Doc for COVID-19 Resources for trainees, volunteering 17 hours to this project.

VOLUNTEER/ADVOCACY EXPERIENCE

- | | |
|---------------|---|
| 1/2022-5/2022 | Founder, James Madison University Psychological Sciences Writing Group <ul style="list-style-type: none"> ▪ Established a writing group for James Madison University’s Psychological Sciences program. ▪ Facilitating weekly meetings and discussions promoting writing efficacy and development for 7 graduate students. |
| 1/2022-5/2022 | Member, James Madison University Psychological Sciences Round Table Advisory Counsel <ul style="list-style-type: none"> ▪ Serving as an advisory member for the James Madison University Psychological Sciences program, serving as a liason between students and faculty. ▪ Developing and organizing programming for James Madison University Psychological Sciences’ Round Table meetings. |
| 8/2021-5/2022 | Student Ambassador, James Madison University College of Health and Behavioral Studies |

- Nominated to serve as the representative for the Psychological Sciences program, assisting with program growth and development.
- 8/2020-5/2022 Cohort Representative, James Madison University Psychological Sciences
 - Selected by program director to represent and advocate for the 2022 cohort of Psychological Sciences M.A. program in faculty program meetings.
- 4/2021-4/2021 Guest Judge, James Madison University Virtual 2021 Psychology Student Symposium
 - Served as a reviewer and completed six evaluations of posters created by undergraduate students.
- 3/2021-3/2021 Guest Judge, Shenandoah Valley Regional Science and Engineering Fair
 - Served as a reviewer and conducted 30-minute interviews with five high school students to formally discuss their research projects, volunteering 3 hours.
- 8/2018-8/2020 Hospital Advocate, OhioHealth
 - Completed a formalized 40-hour Survivor Advocacy Training for Sexual Assault Response Network of Central Ohio (SARNCO).
 - Served as an on-call responder and provided face-to-face emotional support, options (e.g., medical, legal), and information to sexual assault survivors during their time in the hospital.
- 6/2018-8/2020 Volunteer, Equitas Health
 - Helped medically underserved individuals (e.g., members of LGBTQ+ community, individuals living with/affected by HIV/AIDS) access quality health care and preventative services.
 - Served as an interviewer and volunteer for Safe Point, a comprehensive harm reduction program that provides education and resources (e.g., needle exchange, infectious disease testing) to the drug using community. Conducted intake interviews and needs assessment for clients.
- 1/2018-8/2020 Volunteer Coordinator, Patient Advocacy Organizations
 - Managed recruitment, participation, and fundraising efforts for the following: 2018-2020 Alzheimer's Association Walk to End Alzheimer's, 2018 Robert J. Fass AIDS Walk, 2018 National Multiple Sclerosis Society Walk, 2018 American Brain Tumor Association 5K, 2018 National Alliance for Mental Illness Walk, 2018 Parkinson's Foundation Moving Day, 2018 American Foundation for Suicide Prevention's Out of the Darkness Walk, and The Women's Fund of Central Ohio 2018 Keyholder.
- 9/2017-9/2017 Volunteer, Genesis Healthcare System
 - Assisted in the preparation and execution of an informational community talk for the "All Shook Up" Parkinson's disease support group that addressed the cognitive sequelae of Parkinson's disease.
- 9/2014-5/2015 Peer Mentor, Denison University
 - Mentored 12 first-year undergraduate students in the Slice of Life Program that provides orientation to the university environment.
 - Developed resources and programming to promote academic discourse and healthy peer relationships for first-year students who experienced difficulties during their first year of university.
- 9/2013-5/2015 Confidential Advocate, Denison University
 - Completed formalized training to be a confidential advocate in the Sexual Harassment and Rape Education (SHARE) Program at Denison University. Subsequently selected as lead responder for the SHARE 24/7 crisis hotline, overseeing 10 individual advocates.

- Conducted in-person visits to provide basic crisis intervention, counseling, and education for undergraduate students who were survivors of sexual violence.

SKILLS

Neuropsychological Testing: *Available upon request.*

Mood/Personality Testing: *Available upon request.*

Data Management and Software Skills: Microsoft Suite (proficient), Qualtrics (beginner), QuestionPro (proficient), SAS (intermediate), SPSS (proficient), R (intermediate)

PROFESSIONAL REFERENCES

Available upon request.
